## MORE WAYS TO PARTICIPATE!

### SCHOLARSHIPS

Making art accessible to everyone is at the heart of the Richmond Art Center's mission. We offer need-based scholarships for eligible children, teens and adults. Scholarships are available throughout the year and are filled on a first-come, first-served basis. To maximize your chance of getting the class of your choice, submit scholarship applications prior to the date that class registration opens. Applications are available on our website or at our front desk. **Adult scholarships do not cover materials fees or the cost of purchasing supplies. Scholarship applications for Winter classes must be submitted by January 3, 2020.**

### MEMBERSHIP

Your membership support helps connect artists and grow our exhibitions, studio art classes and workshops, Art in the Community programs and our free community events. Membership benefits may include (depending on level): discounts on classes, workshops, juried shows, participation in our annual Members' Show and free admission with North American Reciprocal Museum (NARM) benefits.
