

MAGIC MUCK:

Make an ooey-goey muck that magically turns liquid into solid and back again!

Materials: 3/4 cup cornstarch, 1/3 cup water & 5-7 drops food coloring

STEP 1:

Pour water into large bowl.

STEP 2:

Add food coloring to water.

STEP 3:

Slowly add corn starch into the bowl and let sit for 2-3 minutes without mixing!

STEP 4:

Pick up a handful of the magic muck and squeeze it until it forms into a hard ball. Open your hand and it will turn back into a liquid!
